

COST 872 - Participating Countries

Written by Administrator
Monday, 06 October 2014 07:55 -

The current list of countries that are signatories to COST 872 can be found [here](#) .

Any researcher working in this field in a country that is a signatory to the Action can participate in the activities of COST 872.

If you would like to participate in this Action but your country is not a signatory you should contact the COST National Coordinator for your country. A list of COST national coordinators can be found [here](#)

Non-COST Countries

The following institutions from Non-COST Countries are also participants in COST 872:

Institute of Plant Protection (UAAS), Kiev, Ukraine (Dr L. Pylypenko)

Wollongong University, Australia (Dr Mark Dowton)

Murdoch University, Perth, Australia (Prof Mike Jones)

Agricultural Research Centre, Egypt.
